

GRIID Organises Sensitisation Program on "Understanding Children's Needs and Functional Ability"

As part of **Sewa Pakhwada**, the Government Rehabilitation Institute for Intellectual Disabilities (GRIID), Chandigarh, organised a Sensitisation Program on "Understanding Children's Needs and Functional Ability" on September 18, 2025.

The program commenced with a welcome address and introductory note by Dr Ajeet Sidana, Joint Director, GRIID. Ms Manisha, Special Educator, conducted an informative session on understanding intellectual disabilities and assessing functional abilities. This was followed by two insightful sessions by Ms Shagun Sharma, focusing on supporting children's needs and navigating available services.

Parents actively participated in the discussions, raising queries that were addressed by experts and panel members. The event concluded with a formal Vote of Thanks by Ms Vandana, Officiating Principal, GRIID, after which refreshments were served.

The program was graced by the presence of officials, including Dr M. Karuppusamy, Mr Anil Kumar, Special Educator, Mr Sandeep Kumar Sharma, Special Educator, Ms. Alpana Gautam. & Ms Anjali.
